Membership Features

Get Access To Notes!

🔒 Restrict User Access

We are always working on creating a safe high-quality community, our administrators will make sure that all accounts interact well with others and contribute to our community.

🛡 Personal Membership Levels

Set up the membership levels that best fit your business, whether they are Free, Paid, or Recurring Subscriptions (Annual, Monthly). Register to access a free trial and view high-quality notes.

💳 Popular Payment Gateways

Accept payment from the most popular payment gateways – Stripe, Authorize.net, PayPal (Standard, Express, Website Payments Pro, and PayPal Payments Pro/Payflow), Braintree, 2Checkout, and Cybersource.

Great User Interface   Third-Party Integration   Tons of Add-ons

Great User Interface

Add custom registration and profile fields. Additionally members can update their billing information or cancel their account directly on your site. Any active subscription will be cancelled at the payment gateway for you.

Third Party Integration

Integrates with Mailchimp, Constant Contact, AWeber, GetResponse, Social Login, KISSMetrics, Infusionsoft, WP Courseware, LearnDash, Post Affiliate Pro, bbPress, WooCommerce, and many more popular third party tools.

Tons of Add-ons

Paid Memberships provide a huge library of add-ons that allow you to extend Paid Memberships to your needs. Views add-ons.
